Dear Mr. Hatley:

The Monroe County Commission pledged and paid $ to the VET to VET. This donation to this non-profit is to be used for the 3,615 veterans of Monroe County exclusively as stated in your request for funding. Please include the number of Monroe County veterans that this funding benefited in your request for funds next year.

Monroe County Mayor, County Commissioners and citizens are thankful for those veterans who gave so much to insure our freedom. We sincerely hope that these funds help them to re-enter their normal life.

Sincerely,

Libby Hicks
