Veteran's Treatment Court Prayer

Almighty God, Our Rock and Our Redeemer, we praise You for Your love of both justice and mercy. We gather today to thank You for Your work through us to make the Veteran's Treatment Court here in East Tennessee a reality and a tool of Your redemption.

We praise You for placing in our hearts a vision for helping veterans recover and be truly freed from the spiral of addiction, lawlessness and death.

We humbly ask Your blessings on the work here begun. We ask for understanding, insight and completed justice for everyone involved resulting in the full rehabilitation of broken lives.

Grant us wisdom, grant us courage, for the facing of this work. May we work with You to create Hope that brings life, and life abundant for our veterans and this community both now and forevermore.

This I pray in Your Holy and Precious Name. Amen.

Invocation by Chaplain, USAF (Retired) Dennis Lovin at the East Tennessee Veterans Treatment Court Committee 9-29-14 Public Announcement.
